

TANZANIA'S 2<sup>ND</sup>  
**REHABILITATION  
SUMMIT 2024**

# SESSION FORMAT

Find out about the different types of sessions that will be on offer at the Rehabilitation Summit.

## DISCUSSION SESSIONS

Participants will have the opportunity to explore hot topics and engage in dynamic and interactive discussions led by experts in the field. These sessions are designed to encourage the sharing of insights, experiences, and best practices. Attendees will have the opportunity to ask questions, contribute their perspectives, and engage in meaningful dialogue on various rehabilitation-related issues.

## SCIENTIFIC PRESENTATION

The scientific presentations will feature the latest research and innovations in rehabilitation. Researchers will present their findings, followed by a Q&A session to delve deeper into the implications and application of their work. These sessions aim to enhance knowledge and inspire new research directions.

## WORKSHOPS

Our workshops offer hands-on training and practical skills development. Attendees will participate in interactive exercises and practical demonstrations to gain actionable skills relevant to their professional practice. The workshops are designed to provide a comprehensive learning experience in a supportive environment.

## HEALTH FORUM

The health forum will include a series of expert presentations on critical rehabilitation topics. Each presentation will be followed by an open discussion, allowing participants to engage with the speakers and explore the presented ideas further. This forum aims to foster a deeper understanding of the challenges and opportunities in rehabilitation, promoting collaborative solutions.

# What to Expect

## 01 Expert Speakers

Renowned experts will share their insights and experiences on various aspects of rehabilitation. Their presentations will provide valuable perspectives and the latest information, helping attendees enhance their understanding of the field and apply practical insights to their work.

## 02 Interactive Sessions

These sessions are designed to foster active participation and engagement. Participants will have opportunities to ask questions, share their views, and interact with both the speakers and fellow attendees. The focus is on creating a dynamic and collaborative learning environment.

## 03 Networking Opportunities

The summit offers numerous opportunities to connect with peers, industry leaders, and potential collaborators. These interactions are designed to facilitate the exchange of ideas and foster meaningful professional relationships, helping to drive advancements in rehabilitation.

## 04 Immersive Discussions

Expect at least two hours of immersive discussions on each subject matter, allowing for in-depth exploration and knowledge exchange.

## Session Roles

- Speakers
- Moderator
- Question & Answer

## Language of Instruction

- **English:** Primary language of instruction.
- **Kiswahili:** Limited use to facilitate understanding.
- **Sign Language:** Available on 1<sup>st</sup> day to ensure inclusivity.

## Key summit dates

- **Date of the Conference:** 18<sup>th</sup> - 20<sup>th</sup> September 2024
- **Venue:** Julius Nyerere International Convention Centre, Dar es Salaam, Tanzania.
