

# REHABILITATION SUMMIT 2025

## THEME

"Partnership and Collaboration is Key in  
Strengthening Rehabilitation Service Delivery"

**Date:** September 10<sup>th</sup>-12<sup>th</sup>, 2025

**Venue:** Julius Nyerere International Convention Centre (JNICC), Dar es Salaam

**Organized by:** Rehab Health in collaboration with the Ministry of Health,  
Tanzania and East, Central and Southern Africa Health Community (ECSA-HC)

[www.rehabhealth.or.tz](http://www.rehabhealth.or.tz)

## INTRODUCTION

Building on the legacy of our previous summits, the 2025 edition is anticipated to be a vibrant forum where healthcare professionals, policymakers, researchers, community members and industry leaders come together to exchange ideas, share best practices, and cultivate enduring collaborations.

The summit will spotlight transformative approaches and forward-thinking strategies that enhance rehabilitation services regionally and internationally.

We look forward to your participation as we collectively shape the future of rehabilitation and create a more inclusive, effective and sustainable health system.

## OUR PREVIOUS ACHIEVEMENTS

**At the Rehabilitation Summit 2024, we celebrated significant milestones, including:**

- **Increased Collaboration and Partnerships:** More than 300 stakeholders participated, including 97 government representatives, 70 private sector, 43 Training institutions and 74 NGOs, fostering stronger alliances in rehabilitation.
- **Introduction of Tanzania Rehabilitation Alliance (TARA):** established as a coalition of 8 organizations to amplify rehabilitation advocacy.
- **Expanded Reach:** Our delegate attendance included representatives across African countries, The United Kingdom, The Netherlands, and Australia.
- **Innovative Workshops & Exhibitions:** Hosted more than 15 workshops and exhibitions, providing extensive hands on learning and engagement.
- **Increased Awareness:** Widespread media coverage through television, newspapers, and social media, with live broadcasts amplifying the summit's reach nationwide.

## OUR AIMS FOR 2025

**With the upcoming summit, we aim to:**

- **Deepen Partnerships:** Forge stronger alliances between public and private sectors to address gaps in rehabilitation service delivery.
- **Expand Impact:** Broaden the reach of rehabilitation advocacy by integrating digital platforms and international expertise.
- **Innovate Solutions:** Stimulate dialogue by integrating technology and research to develop cutting-edge rehabilitation practices.
- **Strengthen Capacity:** Enhance training and development programs for rehabilitation professionals through collaborative workshops and knowledge-sharing sessions.
- **Drive Policy Change:** Build on previous successes to advocate for robust policies that ensure sustainable, quality rehabilitation services for all.

## ADDITIONAL HIGHLIGHTS

- **Networking Opportunities:** Structured sessions and informal gatherings.
- **Exhibitor and Sponsorship Opportunities:** Attractive packages designed to provide maximum exposure.
- **Future-Oriented:** The summit is designed not just as a conference, but as a catalyst for change.
- **Hybrid and Digital Engagement:** Offering of live streaming and virtual participation.

## TO BUILD MOMENTUM AND FOSTER EARLY ENGAGEMENT, WE WILL INTRODUCE

- **Pre-Summit Digital Platform:** A space for networking, discussion forums, and knowledge sharing ahead of the event.
- **Pre-Conference Capacity Building Courses:** Specialized training sessions for rehabilitation professionals and stakeholders before the summit officially begins.
- **Stakeholder Roundtables:** Virtual and in-person meetings with government officials, private sector partners, and NGOs to align goals and enhance collaboration before the summit.

## JOIN THE CONVERSATION

*The summit is open to a wide range of stakeholders, including:*

- **Healthcare Professionals & Practitioners:** Engage in interactive sessions, workshops, and networking opportunities.
- **Policy Makers & Government Representatives:** Join discussions on policy reforms and collaborative models.
- **Researchers & Academicians:** Share insights and the latest research initiatives and findings that build into and shape rehabilitation practices.
- **NGOs & Private Sector Partners:** Explore partnership opportunities to drive innovation and investment.
- **Community at Large:** Gain valuable knowledge and insights about rehabilitation services and best practices.
- **Sponsors & Exhibitors:** Showcase products, services, and solutions that contribute to enhanced rehabilitation care.

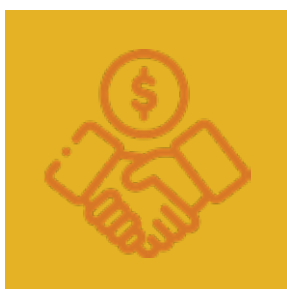

Interested parties can participate by registering through our summit website, submitting proposals for speaking and presentation opportunities or contacting our sponsorship team for collaboration.
